

Welcome to

Kiddie College

June 2021

Dear Parents/Guardians:

It is summertime and I hope you are enjoying the nice weather thus far! Before you know it, we will be heading into the new school year. My name is Mrs. Warren, and I am the preschool director at Torrington Christian Academy. I wanted to welcome you to Kiddie College! We are looking forward to working with our students and all of the wonderful things we will learn this semester. Before we head into the school year, there are a few things you should be working on with your child over the summer to prepare them for preschool(pre-k3)/prekindergarten(pre-k4).

PLEASE FOCUS ON:

Completing their potty training (*To enter kiddie college, your child needs to be fully potty trained. This means they independently go to the bathroom from start to finish. This includes using toilet paper correctly, changing their clothes in case of an accident, etc.*)

Take care of basic needs on their own (tissues, restroom, changing clothes, etc.)

Opening containers, lunchboxes, and snacks independently. *Tip: put a small slit into the snack packaging, this makes it easier for them to open things themselves

Use communication to tell an adult if something is wrong or if they need help

Read books about going to school! Show them how fun it will be

Following two-step directions

Take turns and share

Saying his or her first AND last name.

Thank you for allowing us this opportunity to teach your children this year! We are so excited! Enjoy the rest of your summer!

Sincerely,

Mrs. Warren
